- Find things that begin with each letter of the alphabet at the grocery store.
- Read street names and think of animals that begin with the same first letter of each street.
- Count how many people are in the waiting room at the doctor's office while you wait.
- I also...

Learning around town...

- Sort colours and count the number of items in each load of laundry to practice math skills.
- Follow a recipe together. Measuring different ingredients will help to learn about food groups.
- Research something new on the Internet that everyone is interested in to improve reading and comprehension.
- I also...

Learning at home...

It's easy to practice learning in the things you do every day. Take the journey and learn about new things along the way.

Complete and check off at least 5 activities on your passport and register online. Find more ways to use your passport at www.FamilyLiteracyDay.ca
