

Neighbourhood Scavenger Hunt

Today, family life is busy! We spend a lot of time traveling—in cars, on buses and on foot. Take your literacy fun with you!

Use this game card to keep practising your reading skills.

How to Play:

- Print *Neighbourhood Scavenger Hunt* pages for each player. (Note: If you are driving, you do not get a card!)
- Hand out pencils for all players.
- Check off the correct box when you find the item. The first person to find the most wins!
