

Race to Literacy

Do you play games with your family?

If yes, you are playing with literacy. Following directions, counting, and working with others are ways to practice your literacy skills.

Try this game with your friends and family.

What you need:

- 2 or more players
- Racetrack
- Dice
- A pencil for each player

How to play:

1. Players begin at the Start square.
2. Taking turns, each player rolls the dice and moves that many spaces.
3. Say the letter you land on and a word that starts with it. If you can't think of one, hop up and down and sing your ABC's.
4. First player to reach the Finish square wins!

Taking it Further

Keep track of the letters you land on and try to make words out of them.
